Description

Introducing the Ford Edge 2.0 TDCi Titanium, a robust and stylish SUV that combines performance with practicality. Finished in a sleek grey, this 2016 model has covered 96,976 miles and is powered by a 2.0-litre diesel engine, delivering an impressive 178 bhp and 295 lbs/ft of torque. With a manual transmission and four-wheel drive, it accelerates from 0 to 60 mph in just 9.9 seconds, making it a dynamic choice for both city driving and country adventures. Plus, with a fuel consumption of 48.7 mpg, it's efficient enough for everyday use, and it's ULEZ compliant, ensuring you can drive in urban areas without worry. The annual road tax is set at £265.

This Ford Edge comes with over £1,000 of optional extras that enhance your driving experience significantly.

Active Park Assist takes the stress out of parking. This innovative feature helps you find a suitable parking space and guides you into it, making parallel and perpendicular parking a breeze. Say goodbye to parking anxiety and hello to confidence behind the wheel.

The Blind Spot Information System is another valuable addition, providing you with peace of mind on the road. This system alerts you to vehicles in your blind spots, ensuring safer lane changes and reducing the risk of accidents. It's an essential feature for those who frequently navigate busy roads.

The 20-inch alloy wheels not only enhance the vehicle's aesthetic appeal but also improve handling and stability. These larger wheels provide a more commanding presence on the road and contribute to a smoother ride, making every journey more enjoyable.

Finally, the cloth upholstery in ebony adds a touch of sophistication to the interior while ensuring comfort for all five passengers. The durable fabric is easy to maintain, making it ideal for families or those who lead an active lifestyle.
