Description

Introducing the sleek and stylish 2018 Mercedes-Benz CLA 2.1 CLA200d AMG Line, a stunning black saloon that's ready to turn heads wherever you go. With a powerful 2.1-litre diesel engine under the hood, this beauty packs a punch with 134 bhp and a smooth manual transmission that makes driving an absolute joy. With a mileage of 112,000 miles, this car has plenty of life left in it, and it's perfect for those who appreciate a blend of performance and elegance. Plus, with a fuel consumption of 67.3 mpg, you can enjoy the thrill of the drive without breaking the bank at the pump.

Step inside, and you'll find a spacious interior that comfortably seats five, complete with part leather upholstery that adds a touch of luxury. The four-door design makes it easy for everyone to hop in and out, whether you're heading out for a weekend adventure or just running errands around town. And with a top speed of 137 mph and an acceleration of just 9.5 seconds, this CLA200d is not just about looks; it's got the performance to back it up.

Now, let's talk about some of the optional extras that really elevate this ride. First up is the COMAND Online System, which brings a whole new level of connectivity and convenience to your driving experience. With this system, you can easily access navigation, entertainment, and vehicle settings all from a central interface, making every journey smoother and more enjoyable.

Then there's Mercedes Connect Me - Remote Online, which is a game changer for tech-savvy drivers. This feature allows you to stay connected to your vehicle from your smartphone, giving you the ability to check your car's status, lock or unlock the doors, and even locate it in a crowded car park. It's all about making your life easier and more convenient.
